U.S. and State Highways	
U.S. 190 and State Highway 36 share an east west road bed through Cameron. U.S. Highway 77 intersects with U.S. Highway 190 and State Highway 36 as the North South route. U.S. Highway 77 is frequently used as an alternate North South route to IH 35. IH 35 is approximately 30 miles (or 30 minutes) Northwest of Cameron. The most current Texas Department of Transportation traffic counts are 2016 figures . New figures based on early 2018 traffic counts are anticipated.	

Cameron Municipal Airport

The Cameron Municipal Airport is considered to be asset in the City of Cameron. As such the City consistently seeks to maintain and improve the facilities. At the Cameron Municipal Airport you will find:

- A pilots lounge - with honor system beverages, snacks, restrooms as well as a pleasant place to sit and relax
- Self-Serve Jet-A and AvGas
- Newly constructed T-Hangars with bi-fold doors
- Land for Aviation based businesses

If you have an interest in a clean modern T-Hangar to provide tender loving care to your plane, contact the Cameron City Manager at 254-697-6646 or email rparker@camerontexas.net .
